

“LEGO INSPIRED”

PEOPLE, PLACES & EVENTS IN AMERICAN HISTORY, Year 1

Overview & Purpose This class will cover people, places, and events in early American History from 1000 AD to 1848. Though your child is not required to take both years, this is part 1 of a 2 part series. We will begin each class with a lesson, discussion, notebooking, and presentations. This time will be followed by a LEGO challenge inspired by concepts learned from the history lesson, ending in a time of sharing our LEGO builds with our friends. This class will give your child an appreciation of history, help them develop their confidence in a group setting, will allow creative expression, and foster new and developing friendships!

Additional Materials Needed Each child will need to bring a box of LEGO to each class and a good, kind attitude!

About the Instructor Shannon is a fellow homeschooling mom of two boys and the blessed wife of 20 years and counting to a great guy! She has a bachelor's degree in speech and language sciences and a master's degree in social work. Homeschooling and operating her private therapy practice keep her busy! However, in her spare time, she enjoys walking, reading, sipping homemade gourmet coffee, appreciating nature, photography, laughing with friends, being a cheerleader for her family, being at home while also traveling, and making things!
