tim@mrlieber.com

## ABOUT TIM

Tim has a bachelor's degree in Film and Video Production from GVSU, where he also completed a teachable major in Social Studies. With a strong passion for education founded on biblical principles, he strives to instill a lifelong love of learning in his students. He lives in Otsego with his wife and three kids

## CLASS REQUIREMENTS

- Ages 12-18
- I have equipment available for use, but students are responsible for loss or damage.
- Portable hard drive (at least 500GB)
- Computer capable of running Clipchamp.
- More info at [www.mrlieber.com](http://www.mrlieber.com)

## LOGISTICS

Tuition will be refunded if a student needs to drop this class in the first two weeks. If the drop occurs after the third class, the tuition is non-refundable. LAMP students must self-pay for missed LAMP payments due to a student dropping after the third class or failing to meet LAMP requirements during the semester.

# video PRODUCTION

## WRITE, SHOOT, AND EDIT AMAZING VIDEOS!

Welcome to the exciting world of video production, where your imagination meets the screen. Ever wonder how to turn an idea into a captivating video? We'll cover it all: storyboarding, eye-catching shots, capturing crisp audio, lighting scenes like a pro, and editing your footage into amazing sequences.

Alongside mastering these essential skills, we'll also dive into creating YouTube-style videos, perfect for the digital age. You'll learn how to engage an online audience, craft content for different platforms, and tell stories that resonate in today's fast-paced media environment.

By the end of the class, you'll be a true creator, ready to produce content like a pro!

## WHAT WE'LL LEARN

1. Introduction to video
2. Composition and Editing
3. Youtube Skills
4. Fiction and nonfiction filmmaking

## MATERIALS AND FEES

- The Barebones Camera Course - Available at Amazon (\$13)
- Tuition \$350/yr. (Amount to submit to LAMP)
- \$30 material fee.
