Welcome to the 2024-2025 school year! This year, we will be using the book *The Joy of Signing* to learn basic American Sign language. We will embark on a journey of learning a beautiful and picturesque language, as well as including practical ways of incorporating it into our lives. We will also be interpreting a song for worship, as well as participating in a silent lunch, where we will go to a restaurant, order and eat together using only sign language.

About the Tutor-

I am a graduate of Clearwater Christian College in Florida. I am a wife, a mom of 6, and I love being creative and designing in my spare moments. I've taught in a variety of public and private schools, and homeschool co-ops over the last 20 years. As a mother of a child who is deaf, ASL is a passion of mine, and I am so excited to share the beauty of my son's language with students!
