## About the Class:

We will be learning about the scriptures and how they apply to us in life. We will dive into what truth is and what is God's truth. We will talk about His nature as creator God and what our purpose is. We will talk about what is right and wrong from God's word and I will encourage them to memorize scripture as well and dig into the Bible for themselves. We will be doing some art projects during this course as it pertains to the lesson.
